

Second consultation feedback form

You can provide feedback using this form, or by using our online form or interactive feedback map at www.bayswateroxford.co.uk

General (site-wide)

- 1) We have updated our masterplan to reflect latest feedback and our studies, ensuring we are proposing the best possible scheme. **Do you have any comments on the changes we have made, or on our masterplan more broadly?**

Highways and Transport

- 2) We have developed our thinking around parking and access to consider existing and future policy, and to prioritise greener travel. **Do you have any comments on the changes we have made, or on our parking and access strategy more broadly?**

Highways and Transport

- 3) What do you think about our approach to prioritising greener travel and enhancing connections? Do you have any thoughts on our transport proposals more broadly?

A40 bridge

- 4) We are committed to ensuring that the new foot and cycle path over the A40 provides vital connections, and is an attractive feature too. **Do you have any comments on the bridge or ideas we should share with our architect, Wilkinson Eyre?**

Heritage and placemaking

- 5) What do you think about our plans for a vibrant new local square, and how we intend to restore existing historic buildings? Do you have any ideas or views that might help us further refine their designs?

- 6) We have worked hard to ensure Bayswater complements existing facilities nearby and provides great community infrastructure for new and existing communities. **Do you have any thoughts on the type and location of the community facilities we're proposing, or our plans to integrate Bayswater with existing communities more broadly?**

Leisure and recreation

- 7) Since our last consultation, we have responded to feedback about the mountain bike track and skate park, removing it from the eastern end of the site. **Do you have any views on where else you'd like to see facilities like these located at Bayswater?**

Environment

- 8) Do you have any comments on our approach to placing landscape at the heart of Bayswater?

- 9) We are committed to making sure wildlife and habitats are left in a better condition than before the site was allocated. **Do you have any views on the steps we are taking to enhance biodiversity and protect ecology?**

Water management

- 10) We're committed to making water management at this site exemplary, and focused on working with the existing landscape. **What do you think about our flood risk and water management strategy?**

Landscape character and visual amenity

- 11) Do you have any comments on our approach to landscape character and visual amenity? Do you have any thoughts on the 40 viewpoint locations we have tested?

Key design principles

- 12) We want to hold ourselves to high standards when it comes to design and placemaking, to make sure we can achieve our vision for a new sustainable neighbourhood. **Are there any other design elements you'd like us to consider? What do you think about the principles we have developed?**
